*Founded in* the early 1960s as an art study club. Santa Rosa Arts Association, Inc is the oldest fine arts group in Santa Rosa County. We have evolved into a 501(c)(3) arts association, organized for educational, social and charitable purposes for persons interested in the fine arts in Northwest Florida.

*We provide* workshops and seminars for beginner to experienced artists to enhance their skills and to explore other art mediums.

*We encourage* member artists to share their talents with other artists as well as to become a source for school educators.

*We have* an extensive reference library of donated art books, tapes and DVDs, available on loan to members.

*Art begins with an idea...*

*We contribute* to the growth of art in our schools through our Teacher Art Grants, given yearly to teachers of any discipline who will use art in their curriculum.

*We depend* on the support of the community at large to fund these grants through our Benefactors Drive.

*Membership* is open to anyone regardless of skill, experience, or age. Workshops are included in your annual dues. Non-members pay a \$10 tuition fee.

*Meetings* are held on the 4th Saturday during months of August through April, with the exception of November when the meeting is the 3rd Saturday. We also have a social event in May and December. Meetings begin at 9 AM. Workshops are from 10-Noon.

Meetings are held at the Magnolia Center (Garden Club) 5256 Alabama St, Milton, FL 32570
